

## Update your Program(s) Participation Status for the Upcoming Season

ERAS® registration runs from April through the end of May. To receive applications in the ERAS system, programs must register in ERAS Program Management to indicate that they will have open positions and will use the ERAS program. Before the current ERAS season ends on May 31<sup>st</sup>, programs can update their participation status in EPM for the upcoming ERAS season.

1. Navigate to [ERAS Program Directors Work Station \(PDWS\)](#) and enter your AAMC username and password.

2. Navigate to the Program Management tab and select the upcoming ERAS season.
  - a. Note: Only users with ISU, AISU, PSU, APSU, and Program Management roles in PDWS have access to view the Program Management tab in PDWS.

The screenshot shows the PDWS dashboard with the 'Program Management' tab selected in the top navigation bar. Below the navigation bar, the 'ERAS-2025 (Upcoming)' option is highlighted with a red box, indicating the selection of the upcoming season.

3. Click the program name.

The screenshot shows the 'Program Management - ERAS 2025 (Upcoming Season)' page. The program name 'UNIVERSITY OF ALABAMA MEDICAL CENTER PROGRAM - Emergency Medicine' is highlighted with a red box, indicating the selection of the program.

4. Select the drop-down menu to view participation options.

Participating

The ERAS 2025 application season for September Cycle programs runs from September 25, 2024 - May 31, 2025.

Categorical, Preliminary, Primary Care and Reserved for Physician Only tracks will fill for positions beginning July 2025. Advanced tracks will fill for positions beginning July 2026.

Your program will be able to receive applications once your program cycle starts. If you need assistance, please [Contact ERAS Client Technical Support](#), at 202-828-0413.

8. Select the drop-down to indicate if your program will opt in to use Thalamus for the upcoming season.

Please note after selecting **Yes for Thalamus provisioning for ERAS 2025**, a pop-up window will appear asking users to accept the Thalamus terms and conditions. Users will also be asked two additional questions before clicking **Accept** to complete the process.

## Thalamus Provisioning for ERAS 2025

Do you want your program to receive complimentary access and be onboarded onto Thalamus and Cerebellum for this recruitment season? [Click here](#) to learn more about the ERAS collaboration with Thalamus.

Select ▼

Your specialty has agreed to participate in Program Signals. For more details visit [ERAS Program Signaling Information](#). By participating, you agree to abide by the PDWS terms and conditions. As a reminder, the PDWS terms and conditions relative to Program Signals state:

### Violation of Program Signaling Confidentiality Rules.

A program that is found to have violated the Confidentiality Rules will be considered to have violated this Agreement, and in addition to other consequences may jeopardize their ability to participate in future cycles.

Each program must opt-in to participate for the season by Thursday, June 20, 2024 at 5:00 PM EST. You will not be able to change your response after this date.
